Dear Parents/Carers

Thank you for the very warm welcome that you have given me over the last couple of days. I have already seen so many fantastic things and I have been so impressed by the politeness and enthusiasm shown by your children. As you will know, I will be taking on the interim role of Head of School in Mrs Kelly's absence. I look forward to working with you all and building on what is happening in school to provide the best possible education and experiences for your children. Should you have any questions or queries or if you would like to put a face to the name, I will be on the school gate most mornings - please don't hesitate to stop and chat.

Mrs N Finch-Turner

The Hive

We have vacancies, if you need any breakfast club or after school club childcare, please ask at the office for a price list.

COVID-19 Cases

We are seeing a number of cases of covid-19 in school. Can we please ask that you help to reduce the spread by continuing to complete twice-weekly LFT tests on your children and following the national guidelines on isolation. Can we just remind you that if your children show any of the main symptoms (high temp, cough or change in sense of smell and taste) that you arrange a PCR test

World Book Day

On Thursday 3rd March, children are able to come to school dressed as a book character of their choice. This can be either a bought costume or one you have created at home. They will also participate in booked-themed activities throughout the day. More information will follow.
