Dear Parents/Carers,

Next week, we will participate in a range of activities to celebrate the end of a busy term. A while ago we relaunched our home-learning which hopefully your child has enjoyed completing each week and which hopefully has also given you an insight into the learning that your child is doing in school. Our home-learning treat will be held next week and all classes will be awarded with a movie and popcorn afternoon.

As well as this, as advertised on our newsletter, every child is invited to get creative and take part in our Easter competition by either creating an Easter bonnet or by decorating an egg. I cannot wait to see all the imaginative entries and every child who participates will get a small prize. Unfortunately, we have limited space to store these in school so please keep them at home until the last day of term - Thursday 7th April.

On Thursday we said good bye to Mrs Hall, she has left Arley Primary School and we wish her all the best and will miss her greatly.

Mrs N Finch-Turner

All entries will receive a prize and there will be one winner selected from each year group

Updated Covid Guidance

Following an update from the Government the following guidelines will be in place at school
From Friday 1st April 2022.

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend

For children and young people aged 18 and under who have a positive covid-19 test should stay at home and avoid contact with other people for 3 days

Bikes & Scooters

Could we please remind you that if your child comes to school on a bike or scooter that they dismount and walk them to the bike/scooter racks near the school office.

Also, if any school bikes are stored on the playground, that children do not use these during the morning drop off or afternoon pick up?

Thank You for your co-operation in this.
