Dear Parents/Carers,

This week has been an exciting week for our pupils as they have been able to experience their new classes as part of our induction day. They got to take part in various activities and have a taster of what was to come - we hope that they enjoyed it. Our Year 6 class also got their first experience of Secondary school and we are looking forward to having them all back together on Monday and hearing about their adventures. It has certainly been quiet without them!

The next two weeks are extremely busy. We have various activities planned - including trips, Summer Fayre and end-of-term discos. Please check previously sent correspondence for details of these events. Thank you to everyone who contributed bottles today in exchange for non-school uniform. I am sure that these donations will help to make our fayre a great success.

Mrs N Finch-Turner

Nursery Places - September 2022

Are you looking for Nursery places for your child? Our Nursery is a fantastic provision with an enriching environment which will encourage your child to flourish. We still have places in our Nursery for September 2022. If you (or somebody you know) have a child that was born between 01/09/2018-31/08/2019 they are eligible to join our nursery. We now operate an ALL DAY nursery from 9.00am-3.30pm Monday to Friday and we can also offer breakfast and afterschool provision (at an extra charge).

For more information please contact the school office.

Attendance Matters!

We will be focusing on full time attendance in the academic year 2022 - 2023. After COVID and the disruption of family life we have been flexible and supportive of families having time within term time. Next year there is a drive from the DfE to ensure high, consistent attendance for all children. We therefore ask that families are mindful of the termly holidays and take this into consideration when planning their holidays next year.
